

DIGITAL LED SIGN DISPLAY SPONSORSHIP

Everton Park State High School is situated on Stafford Road, near the corner of Trouts Road and has a double sided Digital Led Sign making a prominent place to advertise through sponsorships displayed on the sign.

Traffic statistics for Stafford Road from the 2012 traffic census data indicated that a total of 18,513 vehicles would have passed our Digital LED sign each day.

Promoting your business/organisation within the Everton Park State High School and broader community is a wonderful opportunity for you, and we realise that your marketing needs are different to others, so we would love to work with you to design package that suits your business and budget.
