

## CYOD selection Guide

Everton Park State High School is offering families the opportunity to purchase a school managed device under the CYOD program. This Selection Guide provides specifications and configurations for the devices offered in the 2024-2025 round of Choose Your Own Device (CYOD) at Everton Park State High School. To submit your expression of interest, please click on the “Expression of Interest” link on the CYOD page of the school website.

Participation in the Student 1-to-1 Technology Program (CYOD or BYOD) is conditional upon participation in the Student Resource Scheme. Both 3- and 4-year warranty options are available. Acceptance of this expression of interest is dependent on students being either a current student or enrolled for 2024 at Everton Park State High School.

## School sources devices

Everton Park State High School is offering two “devices” for our families who choose to participate in the CYOD program. These are outlined in the table below.

All CYOD laptops come with preinstalled school managed internet filtering. The default filtering level selected is Medium which will permit access to social media and video sites such as Facebook and YouTube whilst at home. Should you wish to have social media and video sites blocked on the CYOD laptop while at home, please email [CYOD@evertonparkshs.eq.edu.au](mailto:CYOD@evertonparkshs.eq.edu.au)
