DIGITAL LED SIGN DISPLAY

We invite you to take advantage of the opportunity to promote your connection with our school through sponsoring your business on the LED sign.

Artwork must be supplied to the school.

The sponsor's logo and message will appear for approximately 7 seconds each rotation. Sponsors are required to provide their artwork in the following formats; jpeg, tif, bitmap. The preferred file size is 224 X 160 pixels (anything else may work but will look skewed.)

Some tips on your artwork;

- Use a Calibri font
- Don't overcrowd the sign with detail – no more than 3 lines of text as a general recommendation.
- No product specific information.
- **Include at the very bottom of your artwork "Proudly supports Everton Park SHS"**
- If you're not happy with your layout once it is displayed, we can reload an edited version.
