

ACADEMIC EXCELLENCE PROGRAM

Our Academic Excellence Program offers:

Advanced Learning

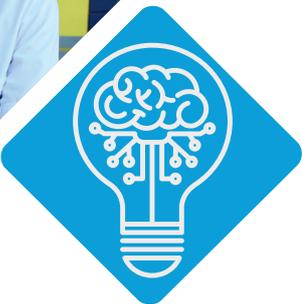

Rigorous and rich learning experiences. Students are challenged to extend their critical and creative thinking across all subjects.

Student Agency

Intentional development of independence, ownership, and responsibility in learning. Students are empowered to set goals, reflect, and drive their own success.

Expert Mentorship

Structured academic dialogue that develops higher-order thinking. Students access expert teaching that cultivates curiosity, creativity, and excellence.

Critical &
Creative Thinking

ACADEMIC EXCELLENCE PROGRAM Years 7 – 9

Everton Park State High School's Academic Excellence Program supports high-potential students through challenge, academic dialogue, and deeper learning experiences.

The program is designed for students who are curious, motivated, and eager to extend their thinking.

Program Focus

Critical and Creative Thinking

Critical and creative thinking strengthens learning through reasoning, problem-solving, imagination, and innovation. Students develop the skills to question ideas, explore solutions, and communicate their thinking with confidence.

These skills support success both in the classroom and beyond school.
